A PROCLAMATION

Whereas two South Dakota organizations, Future Business Leaders of America and Phi Beta Lambda business fraternity, are preparing young men and young women for careers in business and for leadership in the business community of our state,

Whereas these two organizations, totally through their own initiative and without state or federal assistance, are providing dynamic and educational opportunities for thousands of high school and college students,

Whereas many high school and college instructors are giving freely of their time and talents to assist young people who plan business careers,

And whereas the affairs of these two organizations are effectively directed by responsible students.

I, do hereby, proclaim the week of April 12 through 18 to be Future Business Leaders of America - Phi Beta Lambda WEEK in South Dakota.
